D X	In O M No L 68/95-6906/Mc 178-35-2 dated 11-3-1936, it was directed that only the invoice value and the railway freight be taken as the value of the material for purposes of octroi, as the inclusion of cartage and haulage charges leads to many practical difficulties and as such charges vary and are not readily ascertainable -
	2 The Mysore City Municipality has however taken a different view and is of the opinion that as cartage and hauling charges could be ascertained there may also be taken into consideration for purposes of determining the value of the dutiable article -
	3 It is not perhaps intended that each Municipality should adopt a different procedure convenient to it but that there should be uniformity in all places If this view is accepted, the proposed addition
